

**Quarterly report - covers the period from 01/04/2021 to do 30/06/2021**

**1. Task 1. Organisation of scientific visits for UTP employees and students and Partner representatives**

In II quartile of 2021 meetings of the Recruitment Team for Mobilities were held remotely. The Team positively assessed 6 submissions:

- ✓ 17/05/2021 application of Prof. Marek Bednarczyk for the visit to National Center for Biodiversity and Gene Conservation,
- ✓ 17/05/2021 application of PhD Eng. Katarzyna Stadnicka for the visit to National Center for Biodiversity and Gene Conservation,
- ✓ 31/05/2021 application of PhD Eng. Magdalena Kolenda for the online internship in Ondokuz Mayıs University, Department of Animal Science,
- ✓ 31/05/2021 application of PhD Eng. Beata Sitkowska for the online internship in Ondokuz Mayıs University, Department of Animal Science,
- ✓ 07/06/2021 application of a PhD student Mengjun Wu (from University of Molise), for the internship in UTP,
- ✓ 21/06/2021 application of Prof. Marek Bednarczyk, for the research visit to University of Molise.

In the second quarter of 2021, as part of the EcoSET project, one mobility concluded and another three research internships began (two of which are carried out remotely). The following persons took/are taking part in the mobility:

- ✓ PhD Eng. Magdalena Dobiszewska (WBAiIŚ) – visit to Polytechnic University of Bari on 11-18/06/2021. The report on the visit is awaiting the approval of the Project Manager.
- ✓ MSc. Eng. Michelle Paradowska (WHIBZ) – research internship in National Center for Biodiversity and Gene Conservation that begun on 01.06.2021. The internship is due to finish on 17/07/2021

- ✓ PhD Eng. Beata Sitkowska (WHiBZ) – an online internship in Ondokuz Mayıs University, Department of Animal Science that begun on 14.06.2021. The internship is due to finish on 30/09/2021
- ✓ PhD Eng. Magdalena Kolenda (WHiBZ) – an online internship in Ondokuz Mayıs University, Department of Animal Science that begun on 14.06.2021. The internship is due to finish on 30/09/2021

## **2. Task 2. Subsidising common scientific publications.**

In II quartile of 2021 meetings of the Publications Assessment Team were organised online. As a result of these meetings, the following applications were approved:

- PhD Eng. Szymon Różański: „Child risk assessment of selected metal(loid)s from urban soils using in vitro UBM procedure”, accepted in the scientific journal Ecological Indicators, <https://doi.org/10.1016/j.ecolind.2021.107726> (IF=4,229; 140 points)
- PhD Eng. Dariusz Piwczyński: „Genetic Parameters Estimation of Milking Traits in Polish Holstein-Friesians Based on Automatic Milking System Data“, accepted in the scientific journal Animals <https://doi.org/10.3390/ani11071943> (IF= 2,323; 100 points).

## **3. Task 3. Subsidising UTP employees' participation in international conferences combined with presentation of achievements in form of a lecture or a poster.**

Employees of the Faculty of Civil and Environmental Engineering and Architecture are working on presentations and posters submitted to the WMCAUS 2021 6th World Multidisciplinary Civil Engineering – Architecture – Urban Planning Symposium.

By the decision of the Project Management Team, an employee of the Faculty of Animal Breeding and Biology, PhD Eng. Katarzyna Stadnicka will take part in the 72<sup>nd</sup> Annual Meeting of the European Federation of Animal Science (EAAP), which will be held on 30/08-03/09/2021 in Davos.

## **4. Task 4. Organisation of a closing conference to sum up the Project.**

No action was taken in regard to Task 4.

## 5. *Other activities:*

- ✓ 14/05/2021 – a partial report was submitted to the Polish National Agency for Academic Exchange via the ICT system.
- ✓ 09/06/2021 – a Charter of change was sent to the current Project Supervisor, Radosław Podgrudny, which was accepted by NAWA on the same day.
- ✓ Employees of the Faculty of Civil and Environmental Engineering and Architecture, together with the Partner from University of Beira Interior prepared and submitted a joint project application as part of the competition announced by NAWA regarding joint research projects between the Republic of Poland and the Portuguese Republic.
- ✓ The summary of costs in the II quartal broken down by Faculties and tasks was prepared (as of 30/06/2021).
